

## **Urgent message concerning Coronavirus-Pandemic:**

Due to the coronavirus pandemic, services can no longer take place in the usual way almost anywhere in the world. At many places public gatherings are prohibited. Our district apostle wants to make it possible, that the brothers and sisters – where they have the required equipment – can watch at home a broadcast of a divine service celebrated in Germany according to the rules set by the local authorities.

## **Questions and Answers to YouTube-Livestream Video Divine services as the result of CORONA**

### **When do we have a video divine service transmission?**

On Sunday 22. March and 29. March 2020 as YouTube-Livestream

### **For who is this divine service?**

For all countries and areas, where we have an official ban on public gatherings.

### **How can I get access to it?**

Enter YouTube-Channel in the internet on your mobile or your PC

<https://www.youtube.com/c/NAKSueddeutschland>

### **When does the service start?**

The YouTube-Livestream starts 9.50 a.m. MEZ

The Divine service starts 10.00 a.m. MEZ

(For Guinea, Sierra Leone, Liberia, Cote d'Ivoire, Ghana, Togo at 9.00 local time)

### **Can I get a translation of the Livestream?**

Yes: In English, French, expected also in Spanish

### **How do I get access to this?**

Go to the YouTube link.

There you can choose your language.

### **How is the liturgy of this service?**

It is a service conducted by our district apostle without a congregation and without holy communion.

We sing no common hymns. The organ will be the musical frame.

### **Can we put the service on a screen and share it with others?**

**No.** (If in your country there is a ban on public gatherings).
